Floor Amendment #1 (Willis) becomes the bill. Amends the Firearm Owner's Identification Card Act and the Firearm Concealed Carry Act. (1) requires FOID applicants to apply in person with the State Police; (2) makes all FOID cards valid for 5 years instead of 10; (3) requires fingerprinting for all FOID applicants and renewals; (4) requires local law enforcement to petition the court to issue a warrant to search for and seize an individual's FOID Card and firearms if they fail to comply with a revocation order and the local law enforcement deems there is probable cause; (5) allows the State Police discretion to deny concealed carry licenses to those individuals who are deemed dangerous; (6) requires State police to include a warning to all FOID applicants about the dangers of firearm ownership; and (7) closes what has been referred to as the "private sale loophole" requiring all sellers to conduct a background check before completing a transfer, punishable as a Class 4 felony for a first offense.
